RIVIERA MAYA

WELCOME TO THE WORLD OF *Unlimited-Luxury*®

A serene tropical resort scene at sunset. The image is dominated by a large, calm body of water in the foreground, which perfectly reflects the sky and the silhouettes of palm trees. In the middle ground, a line of palm trees stands against the bright, hazy sky. To the left, a wooden lifeguard stand with a thatched roof is visible. To the right, a couple is seen embracing on a wooden deck or walkway. The overall atmosphere is peaceful and romantic, with a warm, golden light from the setting sun.

IDYLLIC. STRIKING. *Nature.*

In the Mayan language, “Akumal” means “Place of the turtles.” The adults-only Secrets Akumal Riviera Maya has one of Mexico’s largest green sea turtle populations making their home just off our shore.

Our spectacular beach, named one of the “Top 10 Beaches in Mexico” in a recent TripAdvisor Travelers’ Choice Award, puts you in one of the area’s most romantic and scenic settings. Imagine enjoying these wonders just 1-hour from the Cancun International Airport.

The experience of combining our all-suite accommodations and *Unlimited-Luxury*<sup>®</sup> privileges — where everything is included — is simply unequalled. Adding to the magic are the nearby ancient Mayan sites of Tulum and Coba with their pyramids and other mysteries. The shopping and the renowned nightlife of Playa del Carmen is just 25 minutes away.

We are also close to a wide array of eco-adventures including mountain biking, scuba diving, jungle hiking and underground rivers awaiting your exploration. Kayaking, deep sea fishing, bird watching and excellent championship golfing are all close by. But for many couples it is simply our own romantic and sensual surroundings that have the most powerful allure.
